	4.1, 5.1, 5.2, 5.3, 5.4, 11.1

To provide guidance to Pomona College, Faculty, and Staff on the appropriate use of both College-issued and personally-owned mobile Devices containing or accessing Pomona College confidential information.

Mobile Devices are an effective and necessary business tool for many employees; however, their use presents risks to employees, individually, and to Pomona College. In order to protect against such risks, Pomona College requires all employees with authorized access to Pomona College confidential information who use mobile
